Re: Portable Source Relocation Letter
Site Approval INDOT No. 3357
Permit #: L-055-11891-05166

Dear Mr. Logan:

Approval is hereby granted to operate the portable hot mix drum asphalt manufacturing plant, INDOT No. 3357, described in Operation Permit No. F145-9355-05166 issued on March 31, 1998. This source is to be located on the east side of State Road 43, 2 miles south of Whitehall, in Greene County, Indiana. This plant was previously located at 7390 East County Road 650 South, Shelbyville, in Shelby County, Indiana. The site approval for 7390 East County Road 650 South, Shelbyville, Indiana was issued on March 31, 1998.

Relocation of this plant must take place within 120 days after the issuance of this decision. The enclosed Notice of Decision explains your options to challenge this decision under IC 4-21.5-3-5(f). Pursuant to IC 4-21.5-3-5(f), this approval is not effective until eighteen (18) days from the date of this letter. This approval supersedes all previous site approval letters.

Advance written notice to the Office of Air Management (OAM), Air Compliance Section, of start-up is required in order for the OAM to perform an inspection. If the plant is not operating in compliance with all applicable regulations upon inspection, the plant must cease operation upon notification to you by OAM staff of such non-compliance. Operations may only resume once remedial actions have been taken and approved by the OAM.

If you have any questions concerning this relocation site approval, please contact Gary Freeman of my staff at 317/233-5334 or at 1-800-451-6027, ext 3-5334.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
