Re: **163-12026-00012**
Revocation of FESOP 163-5618-00012

Dear Mr. Buschkill:

On March 10, 2000, George Koch Sons, LLC notified the Office of Air Management (OAM) that all permitted metal and coating operations, located at 4200 Upper Mt. Vernon Road, Evansville, Indiana 47712, have cease operations since March, 1999, thus eliminating the need for the operating permit.

Effective immediately, the operating permit FESOP 163-5618-00012, issued on December 7, 1996 is hereby revoked.

Any construction or modification that would result to potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAM before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Ms. Iryn Calilung of my staff at 317/233-5692 or icalilun@dem.state.in.us

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Management
