Re: Interim Minor Source Modification Approval  
I-067-12243-00065

Dear Roland Beem:

On May 7, 2000, the Office of Air Management (OAM) received an interim minor source modification petition from DaimlerChrysler Corporation - Kokomo Casting Plant and Kokomo Transmission Plant in Kokomo, Indiana. Based on the data and information submitted in the petition and the provisions in 326 IAC 2-13-1, this interim minor source modification petition is hereby approved for:

- (a) 16 Die Casting Machines for the Kokomo Casting Plant (This would be associated with Title V permit 067-5246-00065.)
- (b) 15 Oil Mist Collectors associated with 149 Wet Machining Units for the Kokomo Transmission Plant (This would be associated with Title V permit 067-6504-00065.)

Detailed conditions will be specified in the final minor source modification 067-12243-00065. This interim minor source modification expires on the effective date of the final minor source modification. This interim minor source modification may be revoked after its effective date upon a written finding by the OAM that any of the reasons for denial in 326 IAC 2-13-1(h) exist or if the final minor source modification is denied. The facilities subject to this approval may not operate until the final minor source modification is issued by OAM.

Sincerely,

Paul Dubenetzky, Chief  
Permit Branch  
Office of Air Management
