Re: 167-12602-05001
First Administrative Amendment to
SSOA 165-12545-05001

Dear Mr. Tschuor:

Gale Tschuor Company was issued a Source Specific Operation Agreement (SSOA) on August 9, 2000 for a portable concrete batch plant. After this SSOA was issued it was determined that the portable source standard language has been left out. Therefore, an Administrative Amendment to this permit is hereby approved.

The modification consists of adding the portable source standard language.

The Source Specific Operation Agreement shall be revised by incorporating the Administrative Amendment into the permit. All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this permit revision which includes this letter, the attached operating conditions applicable to these emission units, and revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Mr. Rob Harmon at Vigo County Air Pollution Control, 103 South 3rd Street, Terre Haute, Indiana 47807, or call (812) 462-3433, ext 14.

Sincerely,

George M. Needham
Director
Vigo County Air Pollution Control
