

Mr. Paul Cope  
Plant Manager  
Visteon Automotive Systems  
6900 English Avenue  
Indianapolis, Indiana 46219

Re: 097-12654-00021  
First Administrative Amendment to  
**FESOP 097-6964-00021**

Dear Mr. Cope:

Visteon Automotive Systems, Indianapolis Plant was issued a Federally Enforceable State Operating Permit (FESOP) by the City of Indianapolis Environmental Resources Management Division (ERMD) on November 17, 1999 for a motor vehicle parts and accessories manufacturing operation under a Standard Industrial Classification (SIC) Code number of 3714 - Steering mechanisms, motor vehicle. A letter notifying ERMD of the change in the ownership of Visteon Automotive Systems of was received on August 21, 2000. The change in ownership does not effect the name of the Permittee on the FESOP nor does the ownership change necessitate any other change in the FESOP. However, pursuant to the provisions of 326 IAC 2-8-10 the original FESOP application of November 18, 1996 is hereby administratively amended as follows:

Ford Motor Company  
The American Road  
Dearborn, MI 48121

to:

Visteon Corporation  
5500 Auto Club Drive  
Dearborn, MI 48126

All other conditions of the permit shall remain unchanged and in effect.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Mark Caraher, at (317) 327-2272.

Sincerely,

Mona A. Salem, Chief Operating Officer  
Department of Public Works  
City of Indianapolis
