Administrative Amendment to CP 089-2830

Dear Mr. Hundertmark

Ispat Inland Inc./Heckett Multiserv was issued a permit (CP-089-2830-00341) on February 16, 1995 for a slag processing plant, an iron processing plant, main recovery plant and storage pile area at the Heckett Multiserv. During review of the Title V permit application for Heckett Multiserv, a plant identification error was discovered. The identification number for Ispat Inland Inc./Heckett Multiserv is 089-00367, however, the identification listed on the permit was 089-00341 which is for LTV/Heckett Multiserv. Pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows:

CP 089-2830, ID 089-00367

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.
