Dear Mr. Dimino:

GE Motors was issued a permit on August 6, 1993, for a Registered Construction and Operation Status Permit. On April 10, 1996 the Registration was transferred to Lockheed Martin Control Systems. A letter notifying the Office of Air Quality of a transfer of ownership and name change was received on January 2, 2001. Pursuant to the provisions of 326 IAC 2-6.1-6 the permit is hereby revised as follows:

Lockheed Martin Control Systems 2000 Taylor Street, Fort Wayne, Indiana name was changed to BAE SYSTEMS Controls at the same location. Ownership was transferred from Lockheed Martin Corporation to BAE SYSTEMS Controls.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter to the front of the original permit.
