Revocation of SSOA 027-9445-00034

Dear Baumgart:

On January 4, 2001, Black Beauty Company/United Minerals Company, LLC notified the Office of Air of Quality (OAQ) that the Westfork Mine, located at the intersection of CR 900 East and CR 400 South, Alfordsville, Indiana, has ceased mining, thus eliminating the need for an operating permit.

The Source Specific State Operating (SSOA) permit 027-9445-00034, issued on February 20, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

Any construction or modification that would result to potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAM before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Ms. Iryn Calilung of my staff at 317/233-5692 or icalilun@dem.state.in.us

Sincerely,

Paul Dubenetzky, Chief
