Revocation of SSOA 119-8097-00007

Dear Mr. Ledbetter:

On January 18, 2001, Little Sandy Coal Company, Inc., notified the Office of Air of Quality (OAQ) that the Pond Creek Mine, located at Highway 157 and County Road 525 South, Coal City, Indiana, has ceased mining, thus eliminating the need for an operating permit.

The Source Specific State Operating (SSOA) permit 119-8097-00007, issued on February 4, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

Any construction or modification that would result to potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAM before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Ms. Iryn Calilung of my staff at 317/233-5692 or icalilun@dem.state.in.us

Sincerely,

Paul Dubenetzky, Chief
