Re: 079-13995-00014
Transfer of Ownership and Name Change
from MascoTech Sintered Components of
Indiana to Metaldyne Sintered
Components

Dear Park:

On February 28, 2001, the Office of Air Quality (OAQ) received a request from Metaldyne Sintered Components to transfer the ownership of the Plant (Plant ID No.079-00014) located at 3100 North State Highway 3, North Vernon, Indiana, from MascoTech Sintered Components of Indiana to Metaldyne Sintered Components.

This administrative amendment acknowledges the name change from Mascotech Sintered Components of Indiana to Metaldyne Sintered Components. Also this acknowledges the transfer of ownership from MascoTech, Inc. to Heartland Industrial Partners and the merger of other companies to form one corporation. All conditions and limitations applicable to this plant shall remain unchanged and in effect.

The following permits have been changed to include the new company name:

Permit Number: CP079-9994
Type Permit: Construction and Operation Status
Date Issued: February 1, 1999
Operation Permit Validation Letter Issued: April 13, 1999
Previous issued permits were superceded by 079-9994

Permit Number : 079-10884
Permit Type: Significant Source Modification
Date Issued: August 10, 1999
Operation Permit Validation Letter Issued: November 17, 1999 and Revised Letter issued on
November 30, 1999

Metaldyne Sintered Components
North Vernon, IN 47265
