Amendment to Registration 029-12937-00028

Dear Mr. Klem:

Tradeline Fabricating, Inc. was issued a registration on March 12, 2001 for a metal forming operation located at 22422 Stateline Road, Lawrenceburg, IN 47205. A letter requesting a revision was received by the Office of Air Quality on March 26, 2001. The request was made to clarify the fact that the number of MIG welders can vary due to the use of rented portable welders.

The facility description in the registration is amended to read as follows:

(c) ~~One (1)~~ MIG welding station with a capacity of ten (10) units per hour.

All conditions of the registration shall remain unchanged and in effect. Please attach a copy of this amendment with the original registration letter.

Sincerely,

Paul Dubenetzky, Chief
