Re: 043-14235-00043
Third Administrative Amendment to
F 043-11524-00043

Dear Mr. Carlisle:

Meilink Safe Company was issued an amendment on March 12, 2001 for a stationary commercial storage safe manufacturing operation. A letter requesting a correction of the typographical error of the name of this source in the Technical Support Document was received on April 2, 2001.

Since there are no new emission units to be constructed, pursuant to the provisions of 326 IAC 2-7-11, the permit and its supporting documents are hereby administratively amended to correct the spelling of the source's name in the Second Amendment 043-13734-00043 cover letter and Technical Support Document. The letter "s" has been deleted in the Meilinks Safe Company name in these documents.

The typographical corrections do not effect any permit conditions and requirements. All other conditions of the permit shall remain unchanged and in effect. Please attach this third administrative amendment to your current permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gail McGarrity, at (800) 451-6027, press 0 and ask for Gail McGarrity or extension 3-0242, or dial (317) 233-0242.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
