Notice-only change to
CP 129-12430-00045

Dear Ms. Henry:

Southdown, Inc. was issued a permit on July 19, 2000 for an Exempt Construction and Operation Status. A letter notifying the Office of Air Quality (OAQ) of a company name change and an owner name change was received on April 13, 2001. Pursuant to the provisions of 326 IAC 2-6.1-6 the permit is hereby revised as follows:

The initial application showed the name as Southdown, Inc. as the company name but should have reflected Kosmos Cement Company as the owner operator of the cement distribution terminal in Mt. Vernon, Indiana. Southdown recently change its name to CEMEX, Inc and continues to be a 75% owner as well as the operating partner in the partnership that is Kosmos Cement Company. OAQ acknowledges that operations and plant personnel were unchanged by the above transaction.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gary Freeman, at (800) 451-6027, press 0 and ask for Gary Freeman or extension 3-5334, or dial (317) 233-5334.

Sincerely,
