Re: Portable Source Relocation Letter
Permit #: L-183-14277-05169

Dear Mr. Blee:

Approval is hereby granted to operate the portable ready-mix concrete batch plant, described in Operation Permit No. S001-5911-05169 issued on August 15, 1996. This source is to be located at 2315 East 100 South at U.S. Highway 30 (Northeast Corner), Columbia City, in Whitley County, Indiana. This plant was previously located at 122 East Oak Street, Decatur, in Adams County, Indiana. The site approval for 122 East Oak Street, Decatur, Indiana was issued on December 28, 1998.

Relocation of this plant must take place within 120 days after the issuance of this decision. The enclosed Notice of Decision explains your options to challenge this decision under IC 4-21.5-3-5(f). Pursuant to IC 4-21.5-3-5(f), this approval is not effective until eighteen (18) days from the date of this letter. This approval supersedes all previous site approval letters.

Advance written notice to the Office of Air Quality (OAQ), Air Compliance Section, of start-up is required in order for the OAQ to perform an inspection. If the plant is not operating in compliance with all applicable regulations upon inspection, the plant must cease operation upon notification to you by OAQ staff of such non-compliance. Operations may only resume once remedial actions have been taken and approved by the OAQ.

If you have any questions concerning this relocation site approval, please contact Gary Freeman of my staff at 317/233-5334 or at 1-800-451-6027, press 0 and ask for extension 3-5334.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
