Revocation of CP-093-4598-00002

Dear Ms. Tolliver:

On May 23, 2001, Lehigh Portland Cement Company notified the Office of Air Quality (OAQ) that they are allowing the waste tire injection system construction permit to expire.

The Construction Permit (CP) 093-4598-00002, issued February 27, 1998, is hereby revoked. Pursuant to 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Ms. Gail McGarrity of my staff at 317/233-0242 or gmcgarri@idem.state.in.us

Sincerely,

Paul Dubenetzky, Chief
