Re: 141-14626
Revocation of MSOP
141-12213-00099

Dear Mr. Kinney:

The letter from Keener Printing and Lithography, Inc., received on July 3, 2001, has been reviewed. This letter related to the plant located at 411 West Indiana Avenue, South Bend, Indiana. This letter requested that Minor Source Operating Permit (MSOP) 141-12213-00099 be revoked. The reason for this revocation request is that Keener Printing and Lithography, Inc. will cease operation at this plant on June 30, 2001.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant will no longer be in operation, the MSOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 232-0868 or call (800) 451-6027 and ask for extension 2-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
