Revocation of Registration
177-8832-00077

Dear Mike Cramer:

The letter from Woodruff Corporation, received on October 18, 2001, has been reviewed. This letter related to the plant located at 814 South L Street in Richmond. This letter requested that the Registration 177-8832 be revoked. The reason for this revocation request is that the plant is no longer in operation.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is not in operation, the registration will be revoked.

If there are any questions about this revocation, please contact Donald Poole at (317) 232-8327 or call (800) 451-6027 and ask for extension 2-8327.

Sincerely,

Original signed by Paul Dubenetzky
