Re: 171-15110
Revocation of FESOP
FESOP No. 171-11946-05213

Dear Mr. Lyons:

The letter from Freesen Inc., received on November 30, 2001, has been reviewed. This letter related to a portable asphalt plant in Warren County, Indiana. This letter requested that FESOP No. 171-11946-05213 be revoked. The reason for this revocation request is that the asphalt plant was never constructed.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the asphalt plant was never constructed, the FESOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
