Revocation of FESOP  
**F 039-11443-00495**

Dear Mr. Click:

On January 7, 2002, Yutzy's Custom Finishing, notified the Office of Air Quality (OAQ) that the facilities at 72842 County Road 101 in Nappanee, Indiana, had ceased operations and moved the operation to 2660 Birch Road, thus eliminating the need for the above referenced FESOP permit.

The Federally Enforceable State Operating Permit (FESOP) F039-11443-00495, issued on February 23, 2000, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,

Paul Dubenetzky, Chief
