Revocation of FESOP 111-11388-00018 and  
Reopening R 111-13090-00018

Dear Mr. Beyke:

On January 17, 2001 Milestone Contractors, L.P. had their FESOP 111-11388-00018 revoked. They had not commenced construction nor did they intend to. On September 28, 2001 a Reopening of the FESOP was inadvertently issued ( 111-13090-00018).

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since construction of the asphalt plant has not commenced, this letter revokes the Reopening of the FESOP R 111-13090-00018.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027 and ask for extension 3-5334.

Sincerely,
