Re: 033-15226-00032
Revocation of FESOP 033-11075-00032 and
Reopening R 033-13024-00032

Dear Mr. Keane:

A letter from Renaissance Publishing, was received on October 16, 2001, requesting the revocation of FESOP 033-11075-00032, issued on December 3, 1999. Renaissance Publishing, has requested that the FESOP associated with the printing plant that manufactures calendars and commercial printing be revoked due to the plant closing and all the equipment being removed. The building is all that remains and is currently for sale.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked if there are changes in regulatory requirements that mandate either a temporary or permanent reduction of discharge of contaminants.

Since the Permittee does not intend to continuing operations FESOP 033-11075-00032 and Reopening 033-13024-00032 are revoked and operation of the plant ceases.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027 and ask for extension 3-5334.

Sincerely,
