Review Request
Source operates under T039-7669-00245

Dear Mr. Kloska:

Middlebury Hardwood Products, Inc., was issued a Title V permit on September 23, 1999 for a stationary coating and wooden cabinet door manufacturing plant. A letter requesting to add a fully enclosed, self-contained, non-emitting electrical distillation unit was received on November 29, 2001.

Pursuant to 326 IAC 2-7-1(2), this unit is considered an insignificant activity. There is no specifically applicable requirements, therefore it is not necessary to amend the Title V permit.

Pursuant to Contract No. A305-0-00-36, IDEM, OAQ has assigned the processing of this application to Eastern Research Group, Inc., (ERG). Therefore, questions should be directed to Alicia Rivenbark, ERG, 1600 Perimeter Park Drive, Morrisville, North Carolina 27560, or call (919) 468-7902 to speak directly to Ms. Rivenbark. Questions may also be directed to Duane Van Laningham at IDEM, OAQ, 100 North Senate Avenue, P.O. Box 6015, Indianapolis, Indiana, 46206-6015, or call (800) 451-6027, press 0 and ask for Duane Van Laningham, or extension 3-6878, or dial (317) 233-6878.

Sincerely,

Original signed by Paul Dubenetzky
