Revocation of FESOP 079-9252-05164

Dear Mr. Beyke:

On February 8, 2002, Milestone Contractors, L.P., submitted a request to have FESOP 079-9252-05164(initial issue) revoked. The asphalt plant's last location was 11772 East State Road 250, Crothersville, Indiana in Jackson County. Milestone Contractors, L.P., sold the plant to a small company from Colorado and the plant is being moved to that state with no intentions of ever operating in the state of Indiana. The sale of the plant was effective February 7, 2002. The purchasing company had no interest in the FESOP being transferred.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the asphalt plant has moved from the state and had no interest in transferring ownership of the FESOP , this letter revokes FESOP 079-9252-05164.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027 and ask for extension 3-5334.

Sincerely,
