Re: 051-15429-03262  
Revocation of FESOP 019-5475-03262

Dear Ms. Green:

A letter from Gohmann Asphalt and Construction Inc., was received on January 16, 2002, requesting the revocation of FESOP 019-5475-03262, issued on December 9, 1996. A FESOP Renewal 051-13629-03262 received on December 18, 2000 has been requested also to be withdrawn. Gohmann Asphalt and Construction Inc., has requested that the FESOP associated with the portable asphalt plant (019-5475-03262) be revoked due to not being constructed. The plant has been dismantled and Gohmann Asphalt and Construction, Inc. will no longer utilize the batch mix plants.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked if there are changes in regulatory requirements that mandate either a temporary or permanent reduction of discharge of contaminants.

Since the Permittee does not intend to construct the portable asphalt plant FESOP 019-5475-03262 is revoked and operation of the plant ceases. FESOP Renewal 051-13629-03262 has been withdrawn.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027 and ask for extension 3-5334.

Sincerely,
