Re: 039-15566
Revocation of Part 70 Permit
Part 70 No. 039-5889-000156

Dear Mr. Gilliam:

The letter from Patrick Industries, Inc., received on April 18, 2002, has been reviewed. This letter related to the Patrick Metals plant located at 1819 South 14th street, Elkhart, IN 46517. This letter requested that Part 70 permit No. 039-5889-000156 be revoked. The reason for this revocation request is that the production operations at the Patrick Metals plant were stopped in December 2001.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the facility is no longer in operation, the Part 70 permit will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
