Re: 019-15584-00048
Revocation of FESOP
F 019-13828-00048

Dear Mr. Weldon:

On May 1, 2002, Flexible Materials, Inc., notified the Office of Air Quality (OAQ) that the facilities at 3101-D Hamburg Pike in Jeffersonville, Indiana, had ceased operations. The operation has moved to 1202 Port Road in Jeffersonville and has been issued a FESOP on April 11, 2002, for this location, thus eliminating the need for the above referenced FESOP permit.

The Federally Enforceable State Operating Permit (FESOP) F019-13828-00048, issued on May 22, 2001, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,

Paul Dubenetzky, Chief
