Re: 039-15675
Revocation of Part 70 Permit
Part 70 No. 039-6918-00396

Dear Mr. Handshoe:

The letter from Shasta Industries, LLC, received on March 6, 2002, has been reviewed. This letter related to the plant located at 14489 US 20 East, Middlebury, Indiana 46540. This letter requested that Part 70 permit No. 039-6918-00396 be revoked. The reason for this revocation request is that the plant is no longer in operation as of July 1, 2001.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is no longer in operation, the Part 70 permit will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,
