Re: 171-15892
Revocation of FESOP
FESOP 171-9683-05052

Dear Mr. Ketcham:

The letter from Freesen, Inc., received on July 17, 2002, has been reviewed. This letter related to the asphalt plant located at 3255 West 650 South, Williamsport, Indiana. This letter requested that Federally Enforceable State Operating Permit (FESOP) No. 171-9683-05052 be revoked. The reason for this revocation request is that the asphalt plant located at this site has been dismantled and is no longer in operation.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the asphalt plant permitted under FESOP No. 171-9683-05052 is no longer in operation, the FESOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
