Re: 095-15913-00016  
Permit Review Request

Dear Mr. Collins:

Delphi Automotive Systems, LLC was issued a Part 70 operating permit (T095-6388-00016) on August 31, 1999 for an automotive parts manufacturing plant, located at 2620 East 38<sup>th</sup> Street, Anderson, Indiana 46013. On May 1, 2002, the Office of Air Quality (OAQ) received a letter from Delphi Automotive Systems, LLC requesting clarification on whether the Permittee is required to submit the "Compliance Monitoring Report" form when there are no compliance monitoring requirements included in T095-6388-00016, issued on August 31, 1999 and the submittal of this form is not specified in the general reporting requirements in Section C of the part 70 permit.

A Part 70 operating permit renewal (T095-18256-00016) was issued to Delphi Automotive Systems, LLC on October 19, 2005. Condition C.17 (a) – General Reporting Requirements in the Part 70 permit renewal, requires Delphi Automotive Systems, LLC to submit a Quarterly Deviation and Compliance Monitoring Report (formerly Compliance Monitoring Report in T095-6388-00016, issued on August 31, 1999). This report is required to document deviations from any condition in the Part 70 permit renewal. Condition B.15 defines a deviation as an exceedance of a permit limitation or a failure to comply with a requirement of the permit. A few examples of the conditions that the source may deviate from are Conditions D.1.2, D.1.3, and D.2.2. Since the Quarterly Deviation and Compliance Monitoring Report is not limited to deviations from compliance monitoring conditions, Delphi Automotive Systems, LLC is required to submit this form to document all deviations from any permit conditions in their Part 70 permit renewal.

Pursuant to Contract No. A305-5-65, IDEM, OAQ has assigned the processing of this review request to Eastern Research Group, Inc., (ERG). Therefore, questions should be directed to Yu-Lien Chu, ERG, 1600 Perimeter Park Drive, Morrisville, North Carolina 27560, or call (919) 386-1024 to speak directly to Ms. Chu. Questions may also be directed to Duane Van Laningham at IDEM, OAQ, 100 North Senate Avenue, Indianapolis, Indiana, 46204-2251, or call (800) 451-6027 and ask for Duane Van Laningham or extension 3-6878, or dial (317) 233-6878.
