Re: 039-15974-00462
Revocation of Title V Permit
039-8692-00462

Dear Earl Handshoe Jr.:

The letter from Shasta Industries LLC, received on August 14, 2002, has been reviewed. This letter related to the plant located at 1139 All Pro Drive in Elkhart. This letter requested that Permit 039-8692 be revoked. The reason for this revocation request is that the plant has been sold on June 25, 2002. The permit was not sold with the plant.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is not in operation, the Title V permit will be revoked.

If there are any questions about this revocation, please contact Donald Poole at (317) 232-8327 or call (800) 451-6027 and ask for extension 2-8327.

Sincerely,
