Re: 007-16224
Revocation of FESOP
FESOP 007-9191-00009

Dear Ms. Bublitz:

The letter from ADM Grain Company, received on October 16, 2002, has been reviewed. This letter related to the plant located at 2349 East County Road 154 South, Swanington, IN 47944. This letter requested that Federally Enforceable State Operating Permit (FESOP) No. 007-9191-00009 be revoked. The reason for this revocation request is that ADM Grain Company determined that the source qualifies for a Permit-By-Rule (PBR) for Grain Elevators, based on the actual throughput at the facility.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since ADM Grain Company qualifies for a Permit-By-Rule, the FESOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
