Re: 003-16520
Revocation of FESOP
FESOP No. 003-9650-00203

Dear Mr. Soltes:

The letter from Sherwin Williams Company, received on November 22, 2002, has been reviewed. This letter related to the plant located at 4717 Clubview Drive, Fort Wayne, IN 46804. This letter requested that FESOP No. 003-9650-00203 be revoked. The reason for this revocation request is that the plant is no longer in operation as of April, 2002.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is no longer in operation, the FESOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
