Re: 091-16683-00025
Revocation of FESOP
091-14016-00025

Dear John Hanky:

The letter from Modine Manufacturing Company, received on October 17, 2002, has been reviewed. This letter related to the plant located at 239 Factory Street in LaPorte. This letter requested that Permit 091-14016 be revoked. The reason for this revocation request is that the plant has ceased operations.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is not in operation, the FESOP will be revoked.

If there are any questions about this revocation, please contact Donald Poole at (317) 232-8327 or call (800) 451-6027 and ask for extension 2-8327.

Sincerely,

Original signed by Paul Dubenetzky
