Re: 019-16984
Revocation of Registration
No. 019-13776-00047

Dear Ms. Walts

The letter from Apollo America Corporation, received on March 27, 2003, has been reviewed. This letter related to the plant located at 701 Port Road, Jeffersonville, Indiana. Apollo America Corporation requests that the Registration No. 019-13776-00047 be revoked. The reason for this revocation request is that Apollo America Corporation determined that the source qualifies for a Permit-By-Rule (PBR) based on the actual emissions records of regulated air pollutants.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since Apollo America Corporation qualifies for a Permit-By-Rule, the Registration will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,
