Revocation of Construction and Operation Permit  
**173-2072-00022**

Dear Mr. Montgomery:

On February 10, 2003, United Minerals Company, LLC notified the Office of Air Quality (OAQ) that they had sold the West Fischer Mine, located in Warrick County, Indiana, to another company, thus eliminating their need for this permit.

The permit (173-2072-00022), issued on February 2, 1993 and amendment (173-5014-00022) issued on December 14, 1995, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,
