Re: 027-17340-00039
Revocation of SSOA
S 027-6979-00039

Dear Mr. Rottman:

On May 21, 2003, the Office of Air Quality (OAQ) was notified that the Odon Rail Sidings #1 and #2 Mine, located 1/4 mile north of the intersection of County Road 1200 North and County Road 1200 East, Odon, Indiana, had ceased mining, thus eliminating the need for an operating permit.

The Source Specific State Operating (SSOA) permit 027-6979-00039, issued on January 7, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,

Original signed by Paul Dubenetzky
