Re: 039-17342-00443
Revocation of Part 70 Permit
039-7923-00443

Dear Mr. Hostetler:

On May 15 2003, The Commodore Corporation, notified the Office of Air Quality (OAQ) that the facility located at 1902 Century Drive, Goshen, Indiana 46526, satisfies the criteria to operate under the Permit by Rule provisions, thus eliminating the need for a Part 70 permit.

The Part 70 permit 039-7923-00443, issued on April 15, 1999, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,

Original signed by Paul Dubenetzky
