Re: 137-17396
Revocation of FESOP
FESOP No. 137-14870-00020

Dear Darryl Mills:

The letter from McPherson's, Inc., received on June 3, 2003, has been reviewed. This letter related to the plant located at 957 North Meridian, Sunman, IN 47041. This letter requested that FESOP No. 137-14870-00020 be revoked. The reason for this revocation request is that the source has determined that the operation qualifies for Permit-By-Rule.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the source qualifies for Permit-By-Rule, the FESOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,
