**003-6870-00017**

Dear Mr. Dion:

On June 19, 2003, Tokheim Corporation, notified the Office of Air Quality (OAQ) that the facility located at 1601 Wabash Avenue, Fort Wayne, Indiana 46801, has ceased operations, thus eliminating the need for a Part 70 permit.

The Part 70 permit 003-6870-00017, issued on December 31, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,
