Revocation of FESOP 097-5572-00057

Dear Mr. Knight:

On April 9, 2003, Ertel Manufacturing notified the Office of Air Quality (OAQ) and Office of Environmental Services (OES) that all permitted equipment located at 1436 East 19th Street in the City of Indianapolis, Indiana, 46218 has been dismantled, thus eliminating the need for an operating permit.

The FESOP 097-5572-00057, issued on July 23, 1997, is hereby revoked. Pursuant IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Warner Waters of my staff at (317) 327-2283.

Sincerely,

Original Signed by John B. Chavez
