Dear Mr. Verkamp:

On April 17, 2003, flexcel notified the Office of Air Quality (OAQ) that the Jasper Corporation facility located at 2704 Newton Street, Jasper, Indiana, had ceased wood furniture manufacturing operations at this plant and is permanently closed.

The Part 70 Operating Permit (037-6514-00006), issued on April 10, 2001, and subsequent administrative amendment (037-15843-0006) issued April 25, 2002, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,
