Revocation of SSOA  
**S 027-6974-00032**

Dear Mr. Rottman:

On May 1, 2003, the Office of Air Quality (OAQ) was notified and additional information was received on May 21, 2003, that the Midway II Mine, located 1/4 mile south of the intersection of County Road 800 East and Old Highway 50, Cannelburg, Indiana, had ceased mining, thus eliminating the need for an operating permit.

The Source Specific State Operating (SSOA) permit 027-6974-00032, issued on January 6, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027, press 0 and ask for extension 2-8369 or dial 317/232-8369.

Sincerely,

Original signed by Paul Dubenetzky
