Re: 001-17867  
Revocation of Part 70 Permit  
No. T001-7534-00028

Dear Mr. Quinton:

The letter from Fleetwood Motor Homes of Indiana, # 52, received on June 23, 2003, has been reviewed. This letter is related to the plant located at 1803 Winchester St., Decatur, Indiana. This letter requested that Part 70 permit No. 001-7534-00028 be revoked. The reason for this revocation request is that the permitted operations at this facility have been discontinued. One (1) spray booth at Fleetwood Motor Homes of Indiana, # 44, located at 1031 U.S. 224 East, Decatur, IN 46733 currently permitted under T001-7465-00025, is to be relocated to the site at 1803 Winchester St., Decatur, Indiana. This relocation will be addressed in the Part 70 permit renewal for the plant at Fleetwood Motor Homes of Indiana, # 44.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the permitted operations in Part 70 permit number T001-7534-00028 are no longer in operation, and the spray booth to be relocated to this plant site will be addressed in the Part 70 permit renewal for Fleetwood Motor Homes of Indiana, # 44, Part 70 permit No. T001-7534-00028 will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027 and ask for extension 3-0868.

Sincerely,
