First Notice-only change to
MSOP 049-12681-00008

Dear Mr. Girton:

Environmental Service Products Manufacturing, Inc., was issued a permit on January 8, 2001 for stationary metal waste container fabrication and surface coating source. A letter notifying the Office of Air Quality of a transfer of ownership and change in operating name was received on July 22, 2003. Pursuant to the provisions of 326 IAC 2-6.1-6(d)(1) and (3) the permit is hereby revised as follows:

Dragon Ltd., became owner of the source at 8857 East SR 14, Akron, Indiana operated by Environmental Service Products Manufacturing, Inc. (owned by Environmental Service Products Midwest). The source will operate under the name of Dragon/ESP Ltd. The Authorized Individual will remain as Robert G. Girton. All operations and methods of reporting remain unchanged. The appropriate reporting forms were updated to reflect the new operating name. The corporate headquarters location for Dragon/ESP Ltd. is 1655 Louisiana, Beaumont, Texas 77701. The mailing address will remain as the source in Akron, Indiana.

Due to a name change, references to the Office of Air Management (OAM) were changed to the Office of Air Quality (OAQ). A typographical change was made in A..1 of the permit under Phone Number. The area code changed from 219 to 574 for the Akron, Indiana area. The change was made on page 4 in section A..1 and page 18 of the reporting form.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gary Freeman, at (800) 451-6027, ask for extension 3-5334, or dial (317) 233-5334.
