Re: **039-18361-00400**  
Revocation of SSOA  
S 039-13593-00400

Dear Mr. Heaton:

On November 10, 2003, Adorn, LLC/Bristol Laminating, Inc., notified the Office of Air Quality (OAQ), that the Bristol Laminating, Inc., facility located at State Road 15 North, Bristol, Indiana, would cease all operations by December 13, 2003. All equipment at this facility was moved to another existing Adorn source (039-00324), thus eliminating the need for an operating permit at the Bristol location.

The Source Specific State Operating (SSOA) permit 039-13593-00400, issued on June 4, 2001, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at (800) 451-6027 extension 2-8369 or dial 317-232-8369.

Sincerely,
