Revocation of FESOP 127-9949-00022

Dear Mr. Boyd:

A letter from Newby, Lewis, Kaminski & Jones, LLP, was received on April 16, 2004, requesting the revocation of FESOP 127-9949-00022, issued on April 7, 1999. Operational control of FESOP 127-9949-00022 was transferred to "B" Asphalt, Inc. on April 18, 2002 with ownership retained by Beach Asphalt Company, Inc. "B" Asphalt, Inc. is no longer operating the hot mix asphalt batch plant. Beach Asphalt has shut down the plant and it is currently non-operational and they no longer require the FESOP permit.

Pursuant to 326 IAC 2-1.1-9, any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purpose of this article may be revoked.

Since the Permittee has ceased operations and the plant is no longer operational the revocation of FESOP 127-9949-00022, is hereby granted.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027 and ask for extension 3-5334.

Sincerely,
