Re: **Permit No. 163-19194-00070**  
Notice Only Change to  
**Permit By Rule 163-15379-00070**

Dear Sir or Madam:

Faultless Caster was issued a Permit By Rule permit on March 4, 2002 pertaining to a metal hardware operation. An application was received March 12, 2004 requesting that the emission statement condition be removed from the permit due to the revisions to 326 IAC 2-6 (Emission Reporting) which became effective on March 27, 2004. The Permittee is no longer required to submit an annual emission statement and it has been removed from the permit, and is hereby amended as follows:

~~e. An Annual Emission Report covering emissions from the previous calendar year must be submitted to the Indiana Department of Environmental Management (IDEM) and to the Evansville EEPA by April 15<sup>th</sup> of the following year.~~

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit page to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Alma Mifflin at 435-6145 at the Evansville Environmental Protection Agency or IDEM at (800) 451-6027.

Sincerely,
