Re: 127-19262-00097
First Administrative Amendment to
FESOP F127-14168-00097

Dear Mr. Richards:

Superior Environmental Remediation, Inc. was issued a FESOP permit on August 27, 2001 for a stationary groundwater and soil remediation plant. An application was received April 7, 2004 requesting that the emission statement condition be revised to incorporate the revisions to 326 IAC 2-6 (Emission Reporting) which became effective on March 27, 2004. Pursuant to the provisions of 326 IAC 2-8-10 the permit is hereby administratively amended as follows:

Condition C.16 is deleted with the remaining conditions renumbered:

~~C.16 — Emission Statement [326 IAC 2-6] [326 IAC 2-8-4(3)]~~

~~(a) — The Permittee shall submit an annual emission statement certified pursuant to the requirements of 326 IAC 2-6. This annual statement must be received by April 15 of each year and must comply with the minimum requirements specified in 326 IAC 2-6-4. The submittal should cover the period defined in 326 IAC 2-6-2(8)(Emission Statement Operating Year). The statement must be submitted to:~~

~~————— Indiana Department of Environmental Management
Technical Support and Modeling Section, Office of Air Quality
100 North Senate Avenue, P. O. Box 6015
————— Indianapolis, Indiana 46206-6015~~

~~————— The emission statement does require the certification by the "authorized individual" as defined by 326 IAC 2-1.1-1(1).~~

~~(b) — The emission statement required by this permit shall be considered timely if the date postmarked on the envelope or certified mail receipt, or affixed by the shipper on the private shipping receipt, is on or before the date it is due. If the document is submitted by any other means, it shall be considered timely if received by IDEM, OAQ, on or before the date it is due.~~
