Re: 097-19389 Revocation of MSOP No. 097-12651-00395

Dear Mr. Mehringer:

The letter from Herff Jones, Inc.-Jewelry Division, received on July 22, 2004, has been reviewed. This letter requested that Minor Source Operating Permit (MSOP) No. 097-12651-00395, issued for a decorative chromium plating operation located 4719 West 62nd Street, Indianapolis, IN 46268, be revoked. The reason for this revocation request is that the facility is no longer in operation as of May 28, 2004.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the MSOP is no longer required.

The MSOP No. 097-12651-00395, issued on September 24, 2001, and Notice Only Change 097-16269-00395, issued on December 20, 2002 are hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact TJ Edwards at (317) 327-2283.

Sincerely,

John B. Chavez
Administrator
