Re: **039-19692-00051**
Revocation of FESOP
039-7364-00051

Dear Mr. Patterson:

On June 29, 2004, Elkhart Foundry & Machine Company, Inc. sent a letter to the Office of Air Quality (OAQ) notifying us that the source located at 318 South Elkhart Avenue, Elkhart, Indiana, was closing. Operations ceased the end of May 2004, and the closing down and liquidation of the equipment is continuing through August 2004, thus eliminating the need for the FESOP permit.

The FESOP permit 039-7364-00051, issued on February 26, 1997 and Significant Permit Revision (039-11041-00051) issued October 12, 1999 are hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at 317-232-8369 or at 1-800 451-6027 extension 2-8369.

Sincerely,
